BE INFORMED . . . SPREAD THE TRUTH

COMMUNISM is rapidly enveloping the entire world, unhampered by the forces of Christianity and the efforts of Christian leadership. Why?

Why are the American people ignorant when it comes to the one movement which will ultimately destroy them and their families?

The answer to these questions are obvious when the facts are known regarding the control of the press, radio, television and other means of communication.

The American people are being prevented from knowing what atheistic communism is.

The TRUTH is not allowed to be uttered over radio, television or printed in the press.

Good American authors work hard writing books and then find it difficult or impossible to have them published. The following is a list of some of the finest works available.

Inform yourself while there is still time. Equip yourself with the knowledge which may eventually save not only your country, but also your life.

THE MOST ASTONISHING BOOK ON THE WORLD CONSPIRACY

COMPLETELY DOCUMENTED
AND INDEXED

— A Great Book For Patriots —

This book traces fanatical religious concepts through two thousand years of history to the present.

This commentary never varies from the original idea of world control which was discovered in the archives of ancient civilization 2500 years ago.

The fervor which the Jewish "Chosen People" have held in carrying out a consistent program towards world domination has had many disastrous results. The tenacity with which they have clung to the idea of universal domination over all peoples of the earth has led to blood-letting of ghastly proportions of their own kind as well as of the gentile races.

This book recites in meticulous detail events covering twenty centuries that lead directly into the corridors of the United Nations today.

The contents may be challenged but never refuted.
